GUNTA SAMPATH

Cell : +91 6303213850

Email : sampathgunta2003@gmail.com

     20051092@kiit.ac.in

PROFILE SUMMARY: A hands-on learner with a passion for software integration and team initiatives, gearing up for a constantly evolving role in the start-up sector.

EDUCATION

DEGREE	SCHOOL / COLLEGE	BOARD / UNIVERSITY	% / CGPA	YEAR
B. Tech. (CSE)	School of Computer science and Engineering	KIIT DU	8.1	Perusing
12th	Tirumala junior college,Visakhapatnam	STATE BOARD	8.3	2020
10th	Sri Chaitanya School,Visakhapatnam	STATE BOARD	9.3	2018

SOFTWARE SKILLS

- Languages   : Java , c++ , Python basic
- Web Designing   : FIGMA
- machine learning
- Pandas
- Numpy
- Android development[front-end]
- Build machine learning models in Python using popular machine learning libraries
- Advance machine learning algorithms

PROJECT

- Minor project based on machine learning(Prediction of diabetes)
- Design for a small android application using Figma
- Cat and dog image classifier
- Diabatic prediction

SEMINARS & WORKSHOPS ATTENDED

- 7-day workshop on machine learning

INDUSTRY RECOGNIZED CERTIFICATIONS

- 1.5 months course in Java (Core & Advanced) from Srikanth Technologies, Visakhapatnam
- 1month course in FIGMA from UDEMY
- Convolutional Neural Networks in TensorFlow (https://coursera.org/share/db9994fb33192f39f9fc4d5611a01bc5)
- machine learning in Coursera (https://coursera.org/share/4ab67b7936eea93669314ee0f52851a9)
- Advance machine learning algorithms (https://coursera.org/share/a331395ed32a0d08d639fcb44b4c97cc)

EXTRA CURRICULAR ACTIVITIES

- bikes
- Playing Badminton
- Singing
- Travelling
